#### MINISTERS CAN AID HUMANITY BY PLAYING BALL

[By Latest Mail.] CHICAGO, Ill.—Ministers can do more good for humanity by getting out on a back lot and playing ball with the boys than by going to the suburbs and golfing with the men. Rev. W. S. Fleming asserted today at the Preachers' Forum at the Desplains camp meeting. "Tear up the carpet in the church basement and give a roller skating party, give entertainments, inaugurate an employment bureau. There are a hundred things the church can do to help humanity, and gain thereby." The speaker is pastor of the Lincoln street institutional church. "The institutional church sees the man physically, mentally and spiritually," he said. "It sees the man in his environment and tries to make the environment fit the man. Most of the people in our churches are dying spiritually for the want of something to do, so why not interest them in social service?" A French electrical device for curling women's hair is said to be so efficient that the hair retains its shape for months.

## JAPAN SEEKS EXCHANGE OF IDEAS WITH OTHER NATIONS

[By Latest Mail.] WASHINGTON.—That the story of Japan may be told to the other people of the world without bias a great national society has been formed at Tokyo belonging to which are leading men of the Japanese empire, statesmen, publicists, bankers, businessmen, manufacturers, educators, as well as the prominent American and English residents in Japan. T. H. Kuwashima, as the herald of the new society to the United States, has been spending several days in Washington, meeting public men and in various ways trying to present the plan of the new society in such a way as to attract favorable notice. He has had a conference with Secretary Bryan of the state department, who introduced him to President Wilson, and has met most of the leading men of the two houses of Congress. This new Japanese national publicity bureau, which is to reach out to the other nations of the world with public matter of all kinds, including books, pamphlets, moving pictures, popular lectures, and traveling exhibits of various descriptions, is headed by Count S. Okuma as president and Mr. Kuwashima as its director in chief. The society has a board of advisers composed of former members of the Japanese cabinet, and a board of editors composed of the editors of the leading Japanese newspapers, headed by Professor James Lee Kauffman of the department of English law in the Imperial University in Tokyo. Discussing the objects and the aims of the new society, Mr. Kuwashima has the following to say: "Although Oriental nations seem a step behind European nations in civilization, the Japanese empire in its national expansion of the last 50 years stands on a plane of equality with America and European nations. In spite of this fact, however, because we are in the Orient, the Europeans and Americans view us in the same light as they do other oriental nations. They call Japan a warlike nation which is proof of their lack of knowledge about our country. To make ourselves fully understood among the occidental nations is our great need today, and it is also a great need on the part of these nations of the occident."

"This new league of ours is being promoted in the hope that it will meet the need of European peoples. We purpose, among other things, to edit and publish books and pamphlets necessary to this end, and to see to their distribution among people to whom such publications are deemed of interest."

#### TENNIS TOURNAMENT BEGINS SEPTEMBER 4

HILO, August 14.—Tennis will soon be all the rage and on September 4 the annual tournament is to begin. Captain Alvan A. Scott of the Hilo Tennis Club is sending out notices and players are invited to send in their names. The tournament is an open one and all the racket wielders in the islands are invited to take part in the competition. There are five events and suitable prizes are awaiting the winners. Entries close on September 1, and should be sent to the captain of the Hilo club. The program of events is as follows: Men's singles for the John A. Scott cup; men's doubles, for the Hilo Mercantile cup; ladies' singles for the John T. Mott cup; ladies' doubles for trophies that will be offered later on; mixed doubles for the Hilo Mercantile cup. The tournament is sure to attract a large number of entries and some interesting matches should be seen.

The Associated Press dispatch says: DETROIT, August 5.—New York batted three Detroit pitchers all over the field today, and won 14 to 4. Score: R.H.E. New York 2 2 0 2 1 6 0 1 0—14 22 1 Detroit 0 0 3 0 0 1 0 0 0—4 8 6 Batteries—Keating, Caldwell, McHale and Sweetser; Williams, Boehler and Baker, McKee.

#### JOHNNY WILLIAMS IS HAVING ROUGH TIME

Apparently Johnny Williams' fine start with Detroit the other day has been followed by a bad slump. The Detroit Tigers were badly beaten by New York on August 5, and a pitcher named Williams, who started for Detroit, was knocked out of the box, as was another twirler. This is probably Johnny Williams. The Associated Press dispatch says: DETROIT, August 5.—New York batted three Detroit pitchers all over the field today, and won 14 to 4. Score: R.H.E. New York 2 2 0 2 1 6 0 1 0—14 22 1 Detroit 0 0 3 0 0 1 0 0 0—4 8 6 Batteries—Keating, Caldwell, McHale and Sweetser; Williams, Boehler and Baker, McKee.

Gentlemen:—

Sometime ago we received from a mainland trust company an exceedingly attractive postal card containing on one side a colored cut of a large safe deposit vault.

As we had made plans for new quarters in an entirely new building just nearing completion and had installed a large new safe deposit vault, similar to the one shown in the cut just above mentioned, it occurred to us this was an excellent form of advertising and assuming that we could only have such work done on the Mainland, we were about to drop the matter when someone informed us that you did this class of work.

An order was placed with you, which has just been filled, and we wish to extend to you our hearty congratulations on the excellent results.

In our opinion you have surpassed the work done on the cut which we received from this Mainland Trust Co. and it is a pleasure to know that we have a printing establishment here in Honolulu, namely, your own, which in a special class of colored printing, such as this, can equal, if not excel, the best printing firms on the Mainland.

Yours very truly,

HAWAIIAN TRUST COMPANY, LIMITED.

J. R. Galt, Treasurer.
